Adventure World

At this popular theme park you can encounter an adorable family of pandas. The whole family can enjoy a day at this park, where you can see animals close up, and which also features amusement park rides and other attractions.
(About a 10-minute drive from the hotel)

SIGHTSEEING

A holiday in Nanki,
both active and relaxing

Guests can enjoy their time at the resort as they wish, whether taking in the incredible natural scenery, enjoying the historic hot springs and cobalt blue sea, or visiting a theme park where cute pandas make their home.

Engetsu Islet

Engetsuto (round-moon islet), a symbol of Shirahama, was named for the circular sea cave carved out of its center. The views in the evening are spectacular, and the site has been selected as one of the "100 Best Sunsets in Japan."
(About a 5-minute drive from the hotel)

Shirarahama Beach

One of the Kansai region's finest beaches, Shirarahama Beach extends its white sands for almost 620 meters, highlighting the contrast with the deep blue sea. A fireworks display is held in summer, attracting large crowds.
(About a 3-minute walk from the hotel)

ACTIVITY

Enjoying nature
and culture in Nanki

The beautiful ocean, and majestic Kumano. In Nanki, where nature and history remain unchanged since ancient times, visitors can touch eternity through experiences unique to the region.

Underwater Mailbox (Diving)

Drop a postcard in the world's deepest mailbox, located on the sea floor at about 10 meters. Mail can also be sent overseas.

Snorkeling

Recommended for those looking for an easy way to explore under the sea. This is something even children and beginners can try.

Kumano: Heian Period Costumes

Try on a Heian period kimono and veiled straw hat for a walk to the Kumano Hongu Taisha shrine and other highlights of the Kumano pilgrimage route.

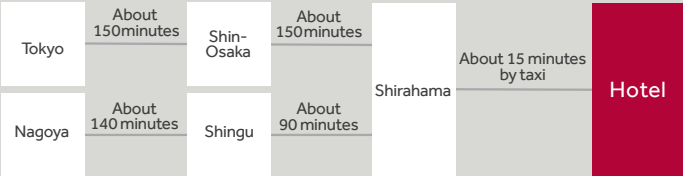

*Some activities may not be available depending on the season. Please inquire for details of rates, operating days and other information.
